Envision

BY THE NUMBERS

Q3-2026

Institute for Sustainable Infrastructure

Purpose

To equip Envision Sustainability Professionals (ENV SPs) and other champions for sustainable infrastructure with Envision stats and graphs, which may be used to support presentations on Envision, business cases, etc.

This PowerPoint presentation shall be updated quarterly each year in January, April, July, and October.

Please credit ISI.

Questions? *Please direct them to info@sustainableinfrastructure.org*

What's Inside

1. Founders & Global Partners
2. **Envision By the Numbers:** Project Verifications
3. **Envision By the Numbers:** Education & Credentialing
4. **Envision By the Numbers:** Members & Suppliers

Note: As part of a routine process, project records are updated to reflect current activity status, duplicate entries are removed, and project cost information is refreshed where applicable. As a result, project counts and total project values in the latest issue may differ slightly from those in the preceding issue.

ENVISION™

Institute for Sustainable Infrastructure

1 Founders & Global Partners

Institute for Sustainable Infrastructure

Institute for Sustainable Infrastructure (ISI)

Education and research nonprofit (501c3) based in Washington, D.C.

Founded in 2010 by ACEC, APWA, and ASCE

Collaborated with the then **Zofnass Program for Sustainable Infrastructure at the Harvard Graduate School of Design** to develop a sustainability rating system for infrastructure. The first version of the **Envision Sustainable Infrastructure Framework** was introduced in 2012.

ENVISION

The now **Zofnass Research Program** moved from Harvard to ISI in 2022 to support ongoing industry research, development, and application.

Institute for Sustainable Infrastructure
ZOFNASS RESEARCH PROGRAM

ISI Global Activity

Envision Program Partners

Canada – Canadian Society for Civil Engineering (CSCE)

Chile – Chile Green Building Council (GGC)

Colombia – Consejo Colombiano de Construcción Sostenible (CCCS)

Guatemala – Consejo de Construcción Sostenible de Guatemala (CCSG)

Italy – Institute for Certification and Quality Branding for Products and Services for Construction (ICMQ)

Strategic Alliances

Colombia – Consejo Ecuatoriano de Edificación Sustentable(CEES)

East Africa – Miundo Misingi Hub

Mexico – Federación Mexicana de Colegios de Ingenieros Civiles (FEMCIC)

Panama – Panama Green Building Council (PGBC)

Spain – Tecniberia and Colegio de Ingenieros de Caminos, Canales y Puertos (CICCP)

EDUCATION & CREDENTIALING

Institute for Sustainable Infrastructure

Envision Sustainability Professional (ENV SP)

WHAT
Designation becoming an increasingly important credential for any professional involved in civil infrastructure.

WHO
10,000+ worldwide: civil engineers, planners, designers, consultants, architects, CEOS & CFOS, government leaders, procurement professionals, post-secondary students and faculty, professionals passionate about sustainability

WHY
Staying updated with industry standards and best practices is essential for delivering high-quality solutions
Shows commitment to sustainable infrastructure
Enhances credibility

sustainableinfrastructure.org

- Create a free account on the ISI site
- Candidates are required to complete the official ENV SP training and pass a comprehensive exam.
- Training offered as online course or live workshop.
- Completion of the course is a prerequisite for taking the exam
