2023 ACCELERATE ACTION

NOVEMBER 7-9

Prioritizing sustainable infrastructure for climate change

Institute for Sustainable Infrastructure

ENVISION™

SPONSORSHIP OPPORTUNITIES

Fourth Annual
VIRTUAL CONFERENCE

ISI's annual virtual conference delivers actionable strategies and insights to advance sustainable infrastructure to over 1000 participants across three days.

The conference features over 10 hours of presentations and networking opportunities including two hours of prescribed education for Envision Sustainability Professionals (ENV SPs). By attending, ENV SPs earn all of their annual education hours.

Anyone interested in learning more about the latest trends, technologies, and practices in sustainable infrastructure is encouraged to attend.

For the fourth annual virtual conference, ISI anticipates another broad-reaching event with critical presentations by today's sustainable infrastructure leaders.

WHO ATTENDS?

- ENV SPs
- City officials
- Thought leaders
- Infrastructure industry professionals (planners, architects, engineers, developers, owners, constructors, operators)
- Public sector agency employees
- Students
- Sustainability and resilience experts and novices alike – anyone with a desire to learn something new!

Conference participants walk away with a better understanding of the broader landscape of the current infrastructure industry and gain new ideas for how infrastructure can better serve their communities.

SPONSOR OFFERS

- ISI Newsletter mentions, reaching a distribution list of 13,000+
- Social media mentions leading up to and following the live conference
- Live conference mentions during opening and closing sessions
- Sponsorship listing on Zoom Events sponsors splash page
