

2023 ISI Virtual Conference – Call for Posters

We're bringing together industry leaders and innovators from November 7-9, 2023, at our 2023 virtual conference, [*Accelerate Action: Prioritizing Sustainable Infrastructure for Climate Change*](#).

To help us answer the critical questions facing the infrastructure industry today, ISI's Academic Committee is pleased to invite submissions of abstracts for poster presentations.

The conference poster presentation session is scheduled for **Thursday, November 9, 2023, from 10:00 AM-11:30 AM ET.**

Students and professionals are encouraged to submit a poster abstract for review; individual and team submissions are welcome.

Suggested poster topics:

- Sustainable infrastructure project examples
- Reducing carbon emissions, net embodied carbon
- Responding to extreme climate variables
- Addressing systemic inequity through infrastructure
- Implementation of new policies
- Contractors' perspective of Envision
- Owners' perspective of Envision
- Stakeholder engagement strategies
- Implementing renewable energy

Submission requirements

Please include a summary of the project, whether the project/ research is ongoing or complete, and the project's relevance to sustainability and application of the Envision framework. Abstracts will be reviewed based on quality, topical relevance, and application of the Envision framework.

Accepted poster presenters will prepare a digital poster to be shared virtually and presenters will submit their final posters to ISI as 1-page PDFs for distribution to conference participants.

Student poster presenters will be eligible to win a prize.
