

Envision by the Numbers

Release date: February 12, 2024
Q4-2023

Purpose

To equip Envision Sustainability Professionals (ENV SPs) and other champions for sustainable infrastructure with Envision stats and graphs, which may be used to support presentations on Envision, business cases, etc.

Please credit ISI.

This PowerPoint presentation shall be updated quarterly each year in January, April, July, and October.

Questions? Please direct them to info@sustainableinfrastructure.org

What's inside

1. Envision by the numbers: project verification and awards
2. Envision by the numbers: education and credentialing
3. Envision by the numbers: members and suppliers
4. Founders and global partners
5. List of marketing resources

Wingate University (North Carolina)

Canada:

McMaster University (Ontario)
Université de Montréal (Quebec)

Other International:

SRM Institute of Science and Technology (India)
University of Karbala (Iraq)

4 Founder & Global Partners

ISI Founders

ISI was founded in 2010 by the ASCE, APWA, ACEC and the then Zofnass Program for Sustainable Infrastructure at the Harvard University Graduate School of Design.

After collaborating over the years to develop and establish Envision, the Zofnass Program moved to ISI from Harvard University, and it is now called the Zofnass Research Program.
