

# Call for Student Posters

## 2024 ISI Annual Conference

### November 6-7, 2024

Share your knowledge of sustainability and the application of the Envision framework by submitting a poster abstract. This is an opportunity to share your capstone project with a larger audience at the ISI Annual Conference! Individual and team submissions are welcome. All presenters will be eligible to win a prize from this year's poster presentation sponsor, [Beyond 21 Academy](#).

who

Undergraduate students in their final year, master students, and doctoral students studying engineering, environmental science, planning, architecture, construction, and related disciplines

when

*Virtual* Student Poster Presentation:  
Wednesday, November 6, 4 - 5pm ET  
Thursday, November 7, 11am - 12pm ET

how
