

Create an ISI Account

Online Tutorial

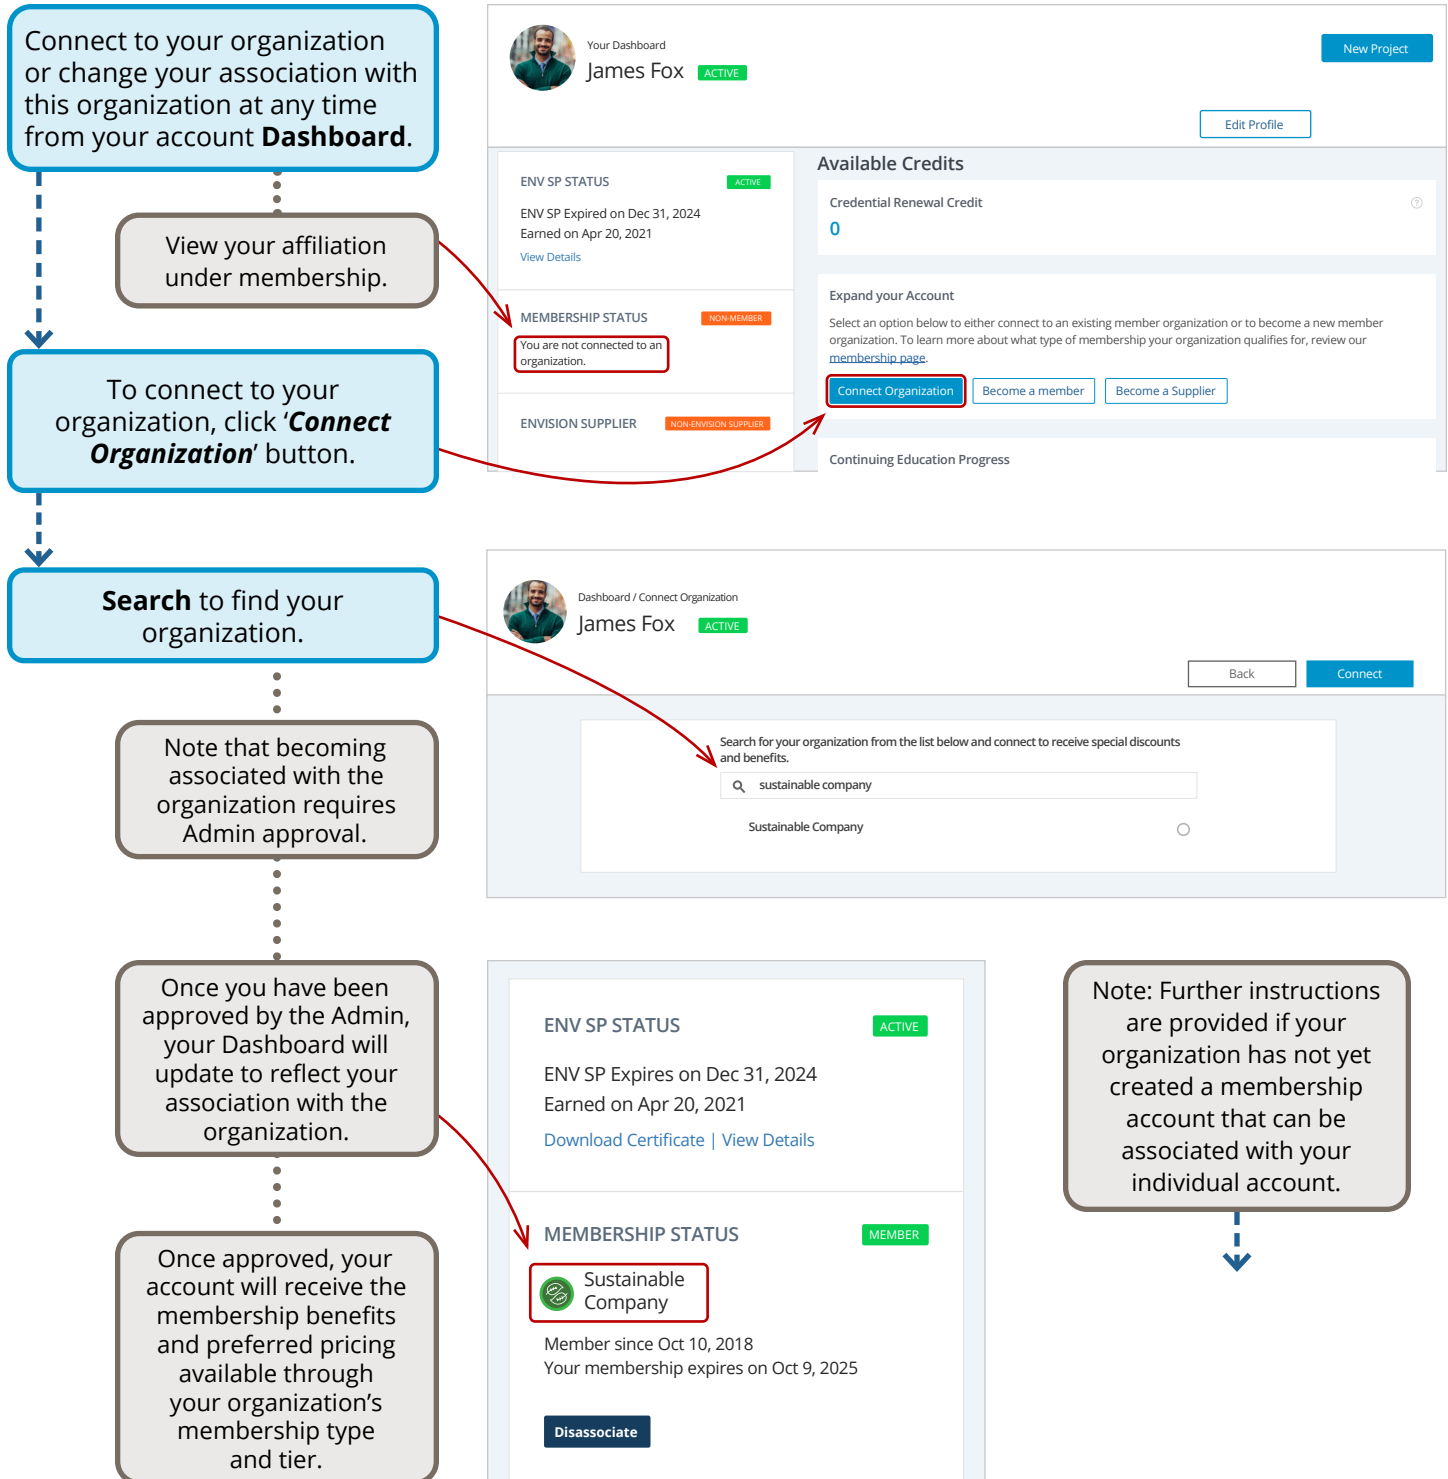

Thank you for your interest in ISI! We have a lot to offer, and the first step to accessing all of our resources is creating your free account at www.sustainableinfrastructure.org.

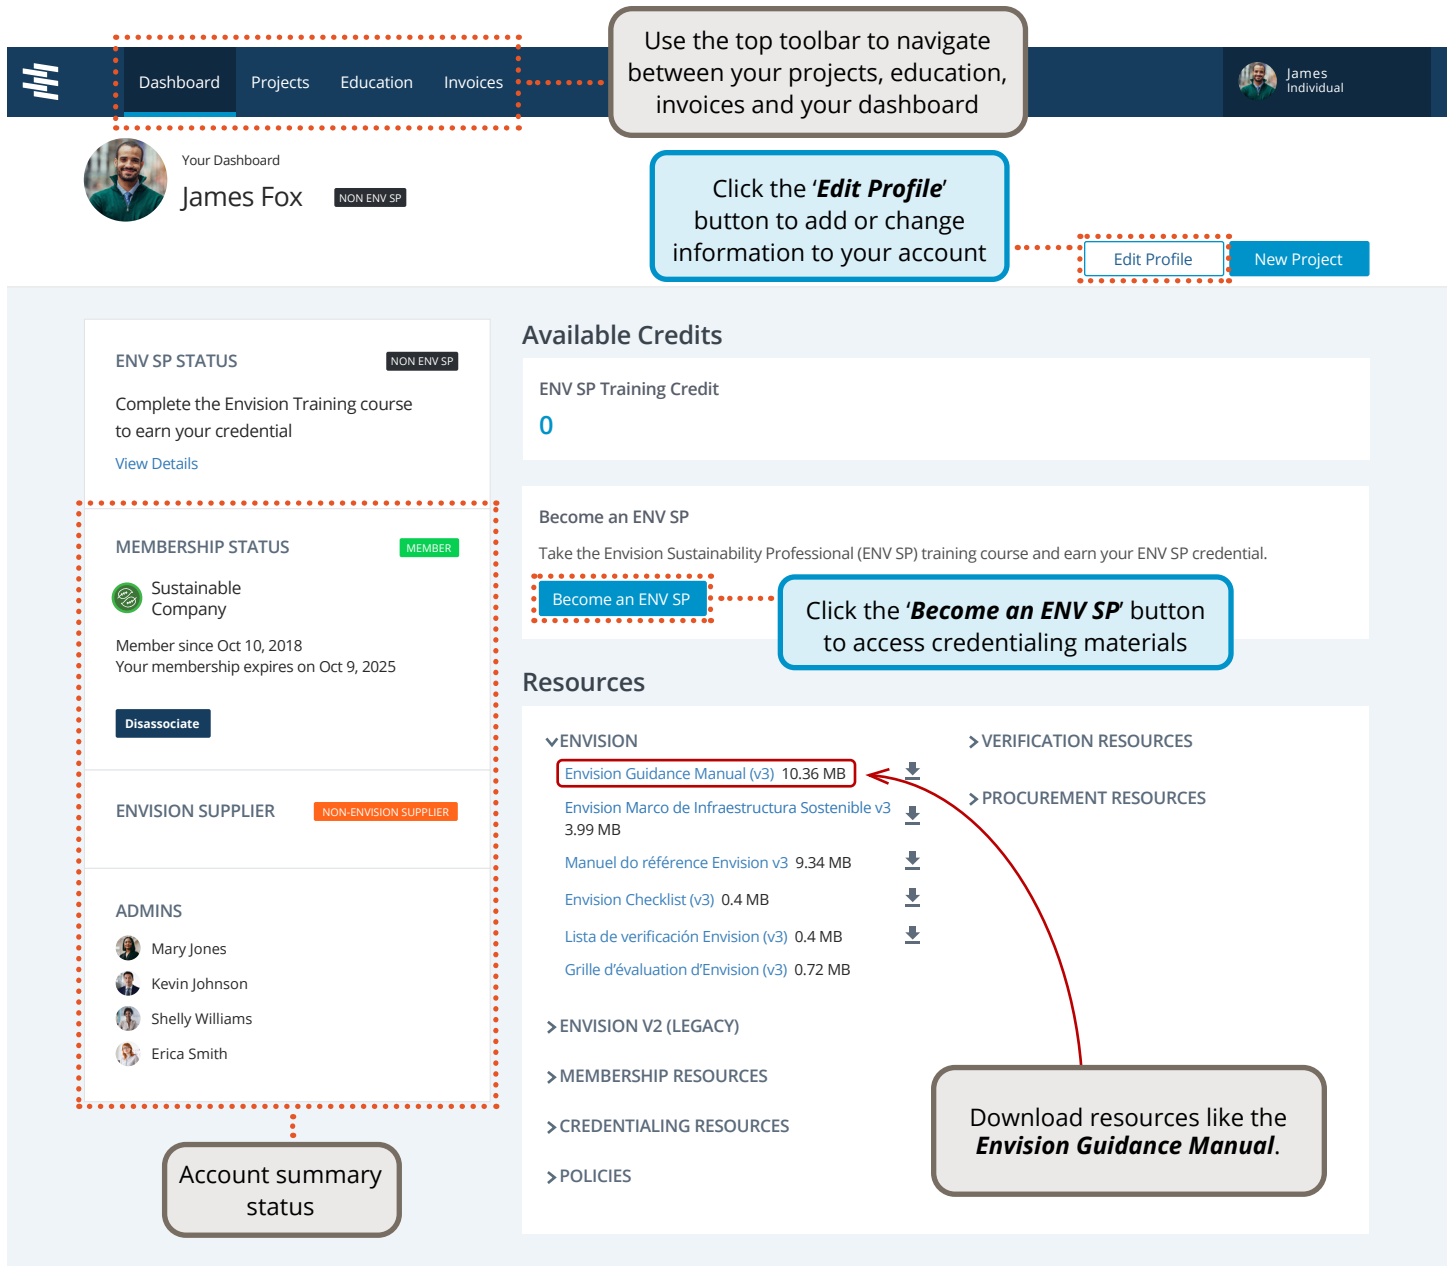

Connect to an Organization

The next step in setting up your account is to connect to an organization. This step is optional. To bypass this step, please select "Skip."

Connecting your individual account to an ISI member organization allows you to receive membership discounts on ISI resources and services.

Navigating Your Dashboard

Use the top toolbar to navigate between your projects, education, invoices and your dashboard

Click the 'Edit Profile' button to add or change information to your account

Click the 'Become an ENV SP' button to access credentialing materials

Download resources like the *Envision Guidance Manual*.

Account summary status

Switch between roles (Individual, Admin, Trainer) via the drop-down menu at the top right of your dashboard.

Available Credits

ENV SP Training Credit
0

Become an ENV SP

Take the Envision Sustainability Professional (ENV SP) training course and earn your ENV SP credential.

Select a Type

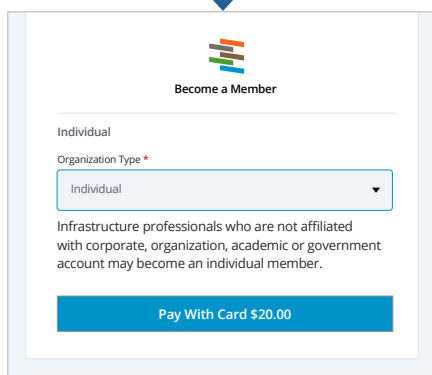

Become a Member

Organization Type *

✓ Select a Type

- Individual
- Company**
- Association
- Government
- Academic

For **Individual** membership
Select **Individual** from the dropdown and click **'Pay with Card'** button.

Become a Member

Individual

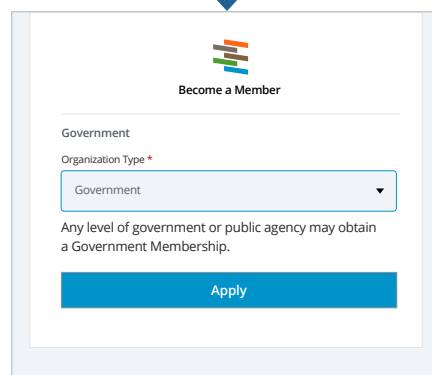

Organization Type *

Individual

Infrastructure professionals who are not affiliated with corporate, organization, academic or government account may become an individual member.

Pay With Card \$20.00

For **Government** membership
Select **Government** from the dropdown and click **'Apply'** button.

Become a Member

Government

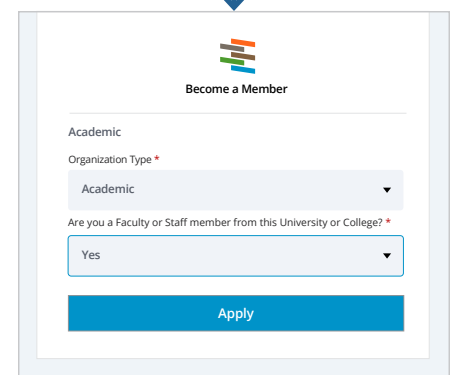

Organization Type *

Government

Any level of government or public agency may obtain a Government Membership.

Apply

For **Academic** membership
Select **Academic** from the dropdown, confirm affiliation with institution, and click **'Apply'** button.

Become a Member

Academic

Organization Type *

Academic

Are you a Faculty or Staff member from this University or College? *

Yes

Apply

Become a Member (continued)

Follow the steps below to become a Company member.

For **Company membership**

- Select **Company** from the dropdown
- Fill in Organization Name
- Select how you heard about ISI
- Select the organization country
- Choose the appropriate membership tier
- Select payment method
 - '**Create Invoice**' or '**Pay with Card**'

Select the membership tier based on the organization's total number of employees, not only the number of employees who will use the ISI account.

Create Invoice: Generates an invoice for payment.
Pay with Card: Completes payment immediately by credit card.

Become a Member

Company

Organization Type *

Company

Any private-sector companies and trade / professional organizations may obtain corporate membership

Organization Name *

Organization Name

Please use proper nomenclature and refrain from using acronyms

How did you hear about ISI and its membership program? *

Please select an option

Country *

United States

☐ < 50 employees	\$500 Includes 1 Supplier Listings
☐ 50-99 employees	\$1,500 Includes 3 Supplier Listings
☐ 100-500 employees	\$2,500 Includes 5 Supplier Listings
☐ > 500 employees	\$3,500 Includes 7 Supplier Listings

Create Invoice
Pay With Card

Once your membership has been established, you will have both an '**Account Admin**' role and an 'Individual' role available in the drop-down menu at the top right of your dashboard.

As an account admin, you can access features to manage your staff, ENV SPs, and projects.
