

BECOME AN ENV SP

Online Tutorial

Congratulations on your decision to pursue your ENV SP credential! You'll find everything you need to get started in your ISI account.

Navigating Your ISI Account Dashboard

Use the top tool bar to navigate to your projects, education resources, or invoices.

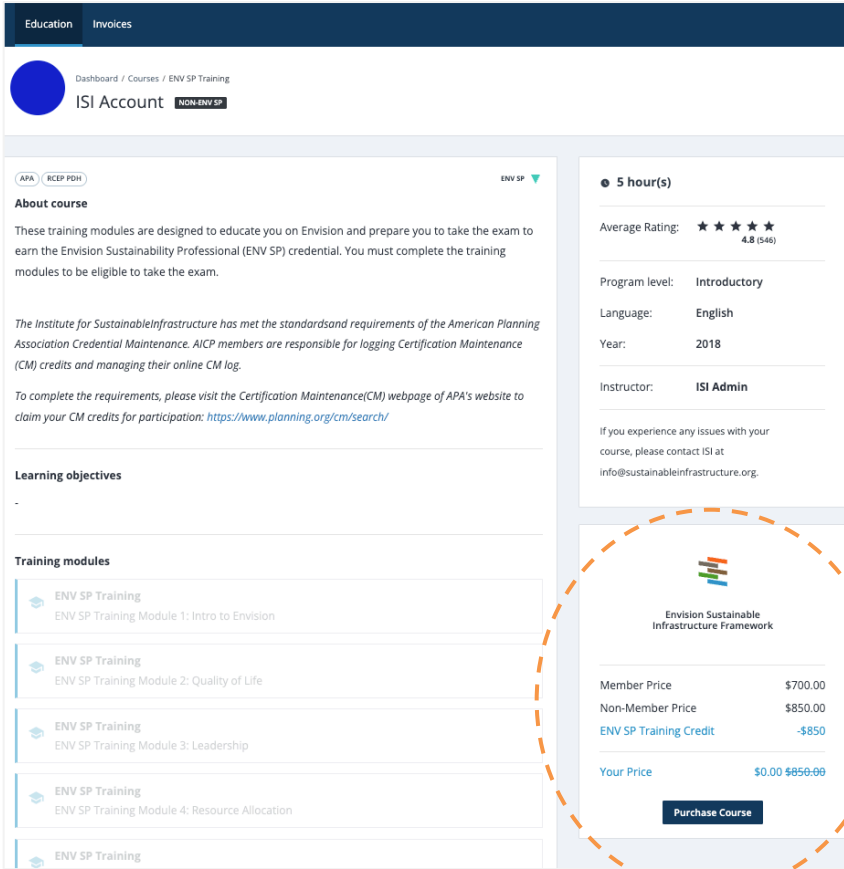

The screenshot shows the ISI Account Dashboard for a user who is not yet an ENV SP. The top navigation bar includes links for Dashboard, Projects, Education, and Invoices. The user's profile is shown as 'ISI Individual' with a blue circular icon. The main content area is divided into several sections:

- ENV SP STATUS:** A section with a 'NON-ENV SP' badge. It prompts the user to 'Complete the Envision Training course to earn your credential' and provides a 'View Details' link.
- MEMBERSHIP STATUS:** A section with a 'NON-MEMBER' badge. It states 'You are not connected to an organization.'
- ENVISION SUPPLIER:** A section with a 'NON-ENVISION SUPPLIER' badge. It includes a 'Terms and Conditions' link.
- Available Credits:** A section showing 'ENV SP Training Credit' with a count of '1'.
- Expand your Account:** A section with instructions to 'Select an option below to either connect to an existing member organization or to become a new member organization.' It includes three buttons: 'Connect Organization', 'Become a Member', and 'Become a Supplier'.
- Become an ENV SP:** A section with the instruction 'Take the Envision Sustainability Professional (ENV SP) training course and earn your ENV SP credential.' and a 'Become an ENV SP' button.
- Resources:** A section with two columns of links and download icons. The left column is titled 'ENVISION' and includes 'Envision Guidance Manual (v3) 10.36 MB', 'Envision Marco de Infraestructura Sostenible v3 3.99 MB', and 'Manuel de référence Envision v3 9.34 MB'. The right column is titled 'VERIFICATION RESOURCES' and 'PROCUREMENT RESOURCES'.

Annotations on the dashboard include:

- A callout box pointing to the top navigation bar: 'Use the top tool bar to navigate to your projects, education resources, or invoices.'
- A callout box pointing to the 'Edit Profile' button: 'Click "Edit Profile" to add or change information to your account, sign up for the ISI newsletter, or add yourself to the ISI Directory of ENV SPs.'
- A callout box pointing to the 'ENV SP STATUS' section: 'See your credential, membership, and supplier status here.'
- A callout box pointing to the 'MEMBERSHIP STATUS' section: 'Connect to an ISI member organization or join as an individual member here.'
- A callout box pointing to the 'Become an ENV SP' section: 'Start your training to become a credentialed professional.'
- A callout box pointing to the 'Resources' section: 'Resources include access to the Envision Guidance Manual.'

If you do not pass the exam the first time, you are allowed to re-test up to two more times at no cost. If you do not pass the exam after three attempts, your credential application will expire and you will be required to register and pay for both the training and exam again.

Current Attempt: 2 of 3

Time Remaining: 71:28:18

Re-enter the exam by clicking the last module. This will show you your progress, the amount of time remaining for the current exam, and how many attempts are remaining.

Click the blue “Resume Exam” button to re-enter the exam (this will not re-start your exam, rather it will allow you to pick up where you’d previously paused).

Upon completion, the exam is scored automatically and your pass/fail results are returned immediately.

Correct answers to specific questions are not visible; however, you may see how you scored in each category.

If you don't pass, you are able to take the exam up to two more times at no charge.
